# Free Health Exam Breast, Cervical and Colon Cancer Screening

## North Central Washington

*To enroll, please contact a participating*

### ***What is Breast, Cervical and Colon Health Program (BCCHP)?***

BCCHP provides eligible women with free yearly health exams, including mammograms, Pap tests and diagnostic tests for breast and cervical issues.

BCCHP also provides eligible men and women with Colon Cancer Screening.

### ***Who administers the program?***

The Breast, Cervical and Colon Health Program is a project of the Washington State Department of Health and is being implemented throughout Washington State. It is funded by a Federal grant from the Centers for Disease Control (CDC).

Wenatchee Valley Medical Center coordinates the Program for **North Central Washington**:

Chelan, Douglas, Okanogan, Grant, and Adams Counties.
